### Personal Profile

I'm a dependable and motivated individual with experience in fast-paced, customer-facing roles. I thrive in team environments and stay calm under pressure, always aiming to deliver high-quality service. I have a natural interest in technology and enjoy problem solving, learning new things, and taking on challenges that help me grow both professionally and personally.

---

### Key Skills

- Excellent customer service, with a friendly and professional approach
  - Strong communication and interpersonal skills
  - Quick to learn, adaptable, and proactive when facing new tasks
  - Reliable, punctual, and detail-oriented
  - Comfortable working under pressure and managing time effectively
  - Team player with a positive and collaborative attitude
  - Basic technical troubleshooting skills and a genuine interest in IT and systems
- 

### Employment History

#### Crew Member

*McDonald's – Barnstaple | 2021 – 2025*

- Delivered efficient service in a high-pressure, fast-paced environment
- Worked closely with team members to ensure smooth day-to-day operations
- Maintained strict hygiene, health, and safety standards
- Adapted quickly to different roles and responsibilities during shifts

#### Games Master (Work Experience)

*Escape Down The Rabbit Hole – Barnstaple | 2019 – 2020*

- Guided players through immersive escape room experiences

- Communicated instructions clearly and maintained customer engagement
  - Monitored gameplay and provided helpful hints while preserving the challenge
- 

## **Education & Qualifications**

- GCSEs including Maths, English, and Computer Science
  - BTEC First Extended Certificate in Information & Creative Technology – Level 2 (Pass)
- 

## **Hobbies & Interests**

I'm passionate about gaming, especially strategy and puzzle-based titles that challenge my critical thinking and creativity. I also enjoy building PCs and helping others with tech support, which feeds my curiosity about how things work. Outside of gaming, I regularly take part in trading card tournaments like Magic: The Gathering, where strategic thinking and adaptability are key. I value teamwork and communication in both my hobbies and professional life, and I'm always looking for ways to develop new skills and stay current with technology trends.
